

I and my family are listeners to K-LOVE radio on 104.3 in Cincinnati, OH. This station is very important to us, as it provides wholesome listening for the entire family and is inspirational and very community involved with causes to help others. It would hurt us to replace K-LOVE with a LPFM broadcasting providing other programming. There are so few places to receive wholesome, positive family programming that supports community and nationwide causes. There would be a huge void left for us if our K-LOVE station was taken away. It is the only radio station all of our radios are tuned to! We would surely have no reason to listen to the radio if K-LOVE was no longer broadcasted! Please keep positive, inspirational broadcasting in Cincinnati, OH. Thank you!
